

Etron Reports Fourth Quarter 2013 and Full Year 2013

Consolidated Results

Etron (GTSM: 5351) Board of Directors today approved the fourth quarter 2013 and full year 2013 consolidated financial results:

Etron's consolidated revenue for the fourth quarter totaled NT\$ 1,764 million, and the net income after tax for the fourth quarter was NT\$74 million. Earning per share was NT\$ 0.17.

The consolidated revenue from January to December of 2013 totaled NT\$6,698 million, increased by 6% from NT\$6,318 million in 2012. The net income after tax was NT\$11 million, and earnings per share was NT\$0.03.

Looking ahead to 2014, the consumer electronics demands, such as 3G to 4G, wireless & mobile, and networking, will moderately facilitate the growth of the global semiconductor industry. Etron is pursuing business growth through cultivating client relationships, diversifying product applications, and strengthening product portfolio.
